

GETTING VIETRI FROM NAPLES (NAPOLI CAPODICHINO) AIRPORT

TO reach Vietri

You can choose about the following three options:

OPTION 1

From Naples [Airport \(Capodichino\)](#) to Vietri City with a direct bus from the Airport

The bus leaves only two times at day from Naples airport to SALERNO but it stops in Vietri City in front of the building Ceramica Solimene (ask the driver for getting the right stop). For those staying at the PLAZA hotel, the bus will stop just at Piazza Vittorio Veneto (or Piazza Ferrovia). The departures from the airport are the following:

Departure Airport	Arrival Salerno
5:50	6:50
9:10	10:10
17:45	18:45
23:15	0: 15

The same bus has a four time schedule back to Naples airport.

The scheduled departures from Salerno (Piazza Ferrovia) are the following:

Departure from Salerno	Arrival to Naples Airport
4:40	5:40
7:00	8:00
13:00	14:00
19:00	20:00

OPTION 2 If you are not able to catch the direct bus

From Naples [Airport \(Capodichino\)](#) to VIETRI city

From Naples Airport (Capodichino) you may take the bus (orange bus) just in front of the Airport entrance (every 15 minutes): the tickets (about 1,00 Euro) are sold inside the Airport at the newsagents. You have to ask the driver to stop you at the bus stop called " Immacolatella Porto" - not far from the Maschio Angioino. There, there are regular fares of the [SITA](#) company from the centre of Napoli (Immacolatella Porto) to Vietri-Salerno.

If you are booked at [Hotel "Lloyds Baia"](#), it would be preferable to ask for a ticket on the bus line that is called Napoli-Salerno via Nocera (not to be confused with Napoli-Salerno via Autostrada that stops at Salerno railway station).

Ask the driver, to stop you in front of **Hotel "Lloyds Baia"**, or as close as possible to your hotel in Salerno.

If you are not booked at **Hotel "Lloyds Baia", you can take any Sita but to reach Salerno (Piazza Ferrovia) and from there you can reach your hotel.**

OPTION 3

From Naples [Airport \(Capodichino\)](#) to Salerno Railway Station (through train)

From Naples Airport (Capodichino) to Napoli Railway Station (Napoli Centrale or Napoli Piazza Garibaldi) you may take the bus (orange bus) just in front of the Airport entrance (every 15 minutes): the tickets (about 1,00 Euro) are sold inside the Airport at the newsagents. Get down at "Piazza Garibaldi" (Garibaldi Square) and walk a little bit through the square towards the Napoli Railway Station (Napoli Centrale or Napoli Piazza Garibaldi).

Once in Napoli Railway Station (Napoli Centrale or Napoli Piazza Garibaldi) get a train to Salerno Railway Station (Salerno). There are several train going to Salerno.

Please check for train schedules leaving either from Napoli Centrale or from Napoli Piazza Garibaldi to Salerno on the web site:
